CERTIFICATE OF PARTICIPATION

This is to certify that AARTI BALI

successfully attended the workshop on **Incorporating competency-based learning, tracking HPC in English language teaching** by Gayatri Khanna.

Competency-based teaching and tracking via the Holistic Progress Card (HPC) has replaced traditional rote memorization with a continuous, 360-degree evaluation of a student's growth. The workshop explored how this model measures real-world understanding, life skills, and multidimensional development.
